PREFACE
Umraah is an Ibadat, the performance of which is Sunnat once in a lifetime. More than this is Mustahab and the reward is immense. Since Allah The Lofty has given the Muslims abundant wealth and easy means to reach Makkah Muazzamnah, the quantity of men and women coming for Umraah has increased. However, because they proceed without learning the laws and rules of Umraah, numerous errors are made whilst performing Umraah. Many enquire about the law after making the errors. These errors are generally discussed in this book.

Allah Rabb ul Izzat put it in my heart that a brief booklet containing a detailed description of Umraah with the necessary laws and rules be written. After halting all other works, this booklet was prepared with the favour of Allah. May Allah make this treatise a beneficial guide for those performing Umraah. Those benefiting should make dua for this humble writer, his parents and teachers.

Muhammad Ashiq Illahi Bulandshahi
Al-Madinah-ul-Munawwarah
Rabi-us Thani 1406 Hijri
In a narration in Muslim, Nabi (Sallallhu Alayhi Wasallam) has said that performing Umrah in Ramadhan is equivalent to performing Hajj with him. (Mishkat-ul-Masaabeh).

In another narration Rasulullaah (SAW) said, "Performing Umrah in Ramadhan is like performing Hajj with me." (Abu Dawood).

MEEQAT

Rasulullaah (Sallallhu Alayhi Wasallam) has specified certain places which one cannot cross without Ihraam on entering Makkah Munawwarah from any direction. These are called Meeqat (singular)- Mawaaqeq (plural).

Those coming from Madinah Munawwarah should wear their Ihraam at Bir-Ali (its old name is Zulhulaifah). It is permissible to wear it from Masjid-e-Nabawi.

For those coming from Sharran (Syria) Jath is the Meeqat. This area was prohibited in the time of Rasulullaah (Sallallhu Alayhi Wasallam). Now it is not. Those days, those coming from Syria, generally also wear the Ihraam at Bir-Ali. The Meeqat for those coming from Najd and Taif is Qain, but these days the name is not known. Those coming from Taif wear the Ihraam at Wazi Mahram. There is a Masjid constructed here.

For those coming from Iraq, Rasulullaah (Sallallhu Alayhi Wasallam) specified the Meeqat as Zaath and for those coming from Yemen, the Meeqat is Yaalamlam.

Those coming from India, Pakistan, and Bangladesh by sea, pass the parallels of Yaalamlam where generally the
Ihram is adorned. To adorn Ihram there is better. If passengers from there onwards come by sea and adorn Ihram in Jeddah, then some Ulema state room for its permissibility. But those who come by air from Bombay and Karachi, should adorn Ihram in Bombay or Karachi or after one or two hours of their flying time. They should not reach Jeddah without their Ihram, because the aeroplane crosses a Meqat. If someone crosses a Meqat without Ihram and reaches Makkah, then he has sinned and Damm (penalty) is necessary.

*************** IMPORTANT ASPECTS OF UMRAH ***************

There are four actions to be carried out for Umrah.

1) To adorn the Ihram of Umrah from the Meqat i.e. to make intention of Umrah and to recite the Talbiyah.
2) To reach Makkah Mukarramah and to make Tawaf.
3) To make Sa'ee between Safaa and Marwah.
4) To make Halq or Qasr. (i.e. to shave or trim the hair after Sa'ee).

*************** FARA'AH OF UMRAH ***************

There are two acts from the above which are Fardh:-

1) To adorn the Umrah ihram by making the intention for Umrah and reciting the Talbiyah.
2) To make Tawaf.

*************** WAAJIBAT OF UMRAH ***************

There are two things which are Waajib for Umrah.

1) To make Sa’ee between Safaa and Marwah.
2) To shave or to trim the hair after Sa’ee.

It is MASNOON to make Ramil and Idhribat in Umrah. Umrah is Sunnat-e-Muakkidah. It is Sunnat-e-Muakkidah for that person who was destined to reach Makkah Mukarramah to perform Umrah once in his lifetime. More than this is Mustahab.

*************** THE TIME FOR UMRAH ***************

Hajj can only be performed once a year because the time for Hajj has been specified in Sharia. It's validity is from the ninth of Zil Hajj, after Zawal, to just before pre-dawn of the next night.

Umrah, on the other hand, can be made repeatedly throughout the year. Not much time is spent doing it, and many people perform more than one Umrah in one day. It is Makrooh-e-Tahrini to perform Umrah during the 9th /10th /11th /12th and 13th of Zil Hajj.

Umrah can be made at any time besides the Day of Arafat, the Day of Eidul-Adha and the Ayyaam-e-Tashriek. It is Makrooh to perform it on any of the aforementioned days but if one did so, then it will nevertheless be valid.
About Ihraam

When anyone proceeds to Makkah, it is necessary to adorn the Ihraam of Hajj or Umrah on route or at the Meeqat which he passes on the way.

On reaching the Meeqat, clean oneself thoroughly and make ghusl. Thereafter wear one cloth as an under covering (trouser) and one on top. Then cover the head with the top piece and perform two rakaats with the intention of Ihraam, provided that it is not the Makrooh time for Salaat. Or else adorn the Ihraam without salaat. To recite the Talbiyah with the intention of Hajj or Umrah is Ihraam. After salaat make intention of Umrah.

If one intends for Umrah only then say:

"Yaa Allah, I intend to perform Umrah, You make it easy for me and accept it."

If one intends in any other language besides Arabic then it is also proper. Furthermore, if one says nothing by tongue and only intends with the heart then also intention is made.

After intention, recite the words of the Talbiyah. The Masnoon words of the Talbiyah are:-

اللهم أتوب væن دينني وقلبي وملقي

"I am present, Oh Allah, I am present. You have no partner, I am present. Definitely all Praise and Grace are Yours. The entire Universe is Yours, You have no partner." Ihraam does not begin with the intention only, but one enters Ihraam on making the intention and reading the words of the Talbiyah. The cloth on the head is to be removed BEFORE reading the Talbiyah. Recite the Talbiyah in abundance in a loud voice during the journey, especially on changing positions etc. e.g. in the morning and evening, while standing or sitting, entering and exiting, at the time of meeting, after Fajr salaat, at the time of departure, on boarding and disembarking, when sleeping and upon awakening.

It is stressed to recite the Talbiyah during these times. Whenever reciting the Talbiyah, do so three times. Recite Durood Sharif after that. Then recite this dua:-

اللهما جزيل عطاك من فضلك
“Yaa Allah, I ask of You, Your Pleasure and Jannah, and through Your Mercy I seek (desire) protection from the punishment of the fire.”

RULE ONE: The women should not recite the Talbiyah loudly. She should recite it audibly in such a way that she can hear it herself.

RULE TWO: A famous error is the belief that a woman’s Ihram is not valid until she wears a special cloth on her head. To wear the cloth is not incorrect but to hold a belief that the Ihram is invalid without this cloth, is incorrect. If one ties such a cloth then this should be removed at the time of wudhu, so that masah can be made.

THE IHRAAM OF UMRAH

When any male or female decides to perform Umrah, then they should adorn the Ihram of Umrah before entering the Meeqat. If one is travelling by plane and is not certain as to the exact time when one will pass the Meeqat or one fears that one may pass over it without knowing, then it is better to wear the Ihram before boarding the plane.

The method of entering into Ihram is to first perform ghusl, then to read two rakats Salaat of Ihram.

If one did not make ghusl and only made wudhu, after which one read the two rakats, then it is also in order. In the event of the non-availability of water, it is also permissible to have made Tayammum instead of wudhu.

The male should remove all sewn clothing and wear one piece of cloth which covers the area from the navel downwards. Another piece of cloth should be used to cover the top of the body. Then he should perform the two rakats Salaat. Only after these two rakats have been performed, must the head be un-covered. Make the intention of Umrah and recite the Talbiyah. The woman will do the same but they should wear sewn clothing and cover the whole body from the beginning, then make their two rakats and thereafter make the intention for Umrah and then recite the Talbiyah.

THE PROPERTIES OF IHRAAM

On making the intention for making Hajj or Umrah, and after the Talbiyah one enters Ihram. It now becomes essential for one to abstain from the prohibitions of Ihram which are:

1) It is prohibited for a woman to wear clothing which is NOT sewn and covers the whole body with one piece. It is also prohibited to wear a cloth which is buttoned or attached together in the same way that it is usually sewn.
2) To cover the head or face. For a woman only the head remains covered.
3) The use of fragrance.
4) To remove hair from the body in any way.
5) Pairing the nails.
6) Hunting of land animals.
7) To be lustful or to engage in marital relations.

LAWS OF IHRAAM

RULE ONE: By making the intention and reading the Talbiyah, Ihram is adorned. It is Masnoon to make ghul before the Talbiyah and to perform the two rakahs salaat. If the opportunity for ghul and salaat was not available then the Ihraam will be valid without it. To do so without an excuse is Makrooh.

RULE TWO: The ghul for Ihraam is masnoon and also for cleanliness and neatness. Thus it should be performed by women in Haedh or Nifaas and also by children.

RULE THREE: If a person made wudhu and two rakahs salaat but did not make ghul at the time of Ihraam, then this is also permissible.

RULE FOUR: It is not prohibited to make Tayyamum instead of ghul for Ihraam if water is not available or due to some other excuse. The salaat of Ihraam with tayyamum is valid on condition that it's performance is in accordance with the principles of Shariat at the time that it is performed.

RULE FIVE: If a person makes the intention of Hajj or Umrah and read the Talbiyah after a fardh salaat and did not perform a separate two rakahs of Ihraam, then this is also proper.

RULE SIX: The two rakahs Salatul-Ihraam is Masnoon when salaat time is not Makrooh. If it is Makrooh time and one is crossing the Meqqat, then make the intention of Hajj and Umrah and recite the Talbiyah, without performing the two rakahs.

RULE SEVEN: If one had the opportunity but did not make the ghul, wudhu and salaat due to laziness, and entered Ihraam and made the Talbiyah intentionally, then this is Makrooh.

RULE EIGHT: If a person experiences a wet dream while in Ihraam, it does not affect the Ihraam. Wash the cloth and make ghul. If the cloth has to be changed, it may be changed.

RULE NINE: If one is wounded in Ihraam, then this also does not affect the Ihraam and no penalty is liable.

RULE TEN: It is permissible to take a vaccine or an injection in Ihraam.

RULE ELEVEN: In Ihraam, the fardh ghul remains Fardh and the Sunnah ghul remains Sunnah. To take ghul for coolness is also proper. However one should not remove the dirt by scrubbing or using soap.

RULE TWELVE: It is Makrooh to comb the hair of the head or beard or to scratch these areas where there is the possibility of the hair coming out. One should scratch so
RULE THIRTEEN: Make khilaal (pass the hands through) of the beard in such a manner that the hair does not fall.
RULE FOURTEEN: It is permissible to look in the mirror, or to remove a tooth while in Ihraam. Miswaak is also customary as usual.
RULE FIFTEEN: It is permissible to kill harmful animals or insects such as a scorpion, bug, flea, mosquito, wasp, hornet, red/ yellow wasp, etc.
RULE SIXTEEN: Although it is better to wear white in Ihraam, other colours are also permissible.
RULE SEVENTEEN: To cover oneself with a blanket, duvet or covering is permissible. It is also permissible to wear a double layer of clothing on the top or the bottom, or a blanket on the cloth or two cloths at the lower part of the body.
RULE EIGHTEEN: It is permissible to tie a belt or a purse to the bottom layer for securing money etc.
RULE NINETEEN: There is nothing wrong with replacing the Ihraam cloth with another piece if the one initially worn becomes soiled, and was removed for washing.
RULE TWENTY: It is permissible to wear a watch or spectacles in Ihraam.
RULE TWENTY-ONE: It is not permissible for men to wear socks, shoes or boots while in Ihraam. Men have to wear open sandals. The top (upper) bone has to be open and visible.

RULE TWENTY TWO: Generally one must abstain from all sins but even more so while in Ihraam.
RULE TWENTY THREE: It is Makrooh to speak things which encourage the relationship between husband and wife.
RULE TWENTY FOUR: Fighting and quarrelling is discouraged at all times. This should be abstained from even more so during Ihraam.
RULE TWENTY FIVE: It is prohibited for a man or a woman to hurt a land animal. This entails a penalty but one can slaughter a duck, fowl, goat, camel or cow in Ihraam, as well as cut out of Ihraam and one can eat its meat as well.

THE IHRAAM OF WOMEN
The Ihraam of women is the same as the Ihraam of men. The making of ghussil, two rakaats salah, the intention for Hajj or Umrah and the reciting of Talbiyah results in the entry into the state of Ihraam. If a woman is in Haflah or Nifas and goes to Makkah or wishes to enter the Hanam then she should adorn the Ihraam in the following manner:
1) Make intention for Hajj or Umrah.
2) Recite the Talbiyah.
3) and if not Paak (pure) on entry into Makkah, wait until purity has been attained.
4) Until purity has been attained, DO NOT ENTER THE MASJID.
5) When she is paak, she should perform ghussil, and then make Tawaaf and Sama'ee.
RULE ONE: The women in Ihram should dress in the clothes she normally uses. (i.e. sewn clothing covering her head and entire body. The cloth should not touch the face.
RULE TWO: It is necessary to observe Purdah from strangers, whilst in Ihram. A famous misconception is that there is no Purdah for Hajj and Umrah. These are the views of the ignorant. Not allowing the cloth to touch the face is one thing. Allowing the face to be viewed by strangers is another. Hadhrat Ayesha (Radhiallahu-anha) says that they were in Ihram with Rasulullaah (Sall Allhu Aleyhi Wasallam). Whenever anyone passed nearby, they would place their shawls in front of their faces. (Mishkat-pg 236 from Abu Dawud).

From this it is clear that it is prohibited to open the face for strangers. If some board etc., is cut and placed on the forehead in such a way so as to prevent it from touching the face, then purdah can also be observed. This is better and there is no difficulty in it.

Another important point to be remembered is that the maximum time during which the restrictions of Ihram apply is only three or four hours. What excuse do those women have who roam around with their faces open on all the other days?

There is also the journey to Madinah Munawwarah, for which there is no Ihram. Here too a lot of roaming and showing of the face to strangers takes place. What ignorance and unnecessary sinning!

RULE THREE: Women should not raise their voices while reciting the Talbiyah.

IHMRAAM OF THE IMMATURE
RULE ONE: If a minor child is clever and understanding, then he should adorn the Ihram himself...and perform all the actions as adults do. If the child has not yet reached the age of understanding and is still young, then the guardian should tie the Ihram for him.

RULE TWO: If a small child who does not yet understand, ties the Ihram himself and does the other actions of Ihram himself, then his Ihram is not valid. If an understanding child does so, his Ihram is will be valid.

RULE THREE: The guardian cannot tie the Ihram for a child who is understanding enough to do so himself. The understanding child must do all the actions himself, but those that he cannot do must be done on his behalf by his guardian. However, the child must be made to perform Salaat and Tawaf.

RULE FOUR: While the understanding child should perform Tawaf himself, the non-understanding child should be picked up and carried for Tawaf. Similarly, one should assist the child during the Wuqoof-e-Arafaat, Sae and Ramee.

RULE FIVE: The guardian should prevent the child from the prohibits of Ihram. However, if a child does an prohibited act, then there is no penalty on the child nor on the guardian.
RULE SIX. When adorning the Ihram for a minor boy, remove existing seven clothes and wear him the two pieces as explained for the adults.

RULE SEVEN: If the minor discards one or all the acts of Ihram, then it is not necessary to give penalty and neither does Qazaa become compulsory.

RULE EIGHT: The guardian who is most closely related should tie the Ihram for the minor. For example if the brother and the father are both present then the father should tie the Ihram. However, it is also permissible for the brother to tie it.

RULE NINE: The guardian should make his intention with the intention for the non-understanding child, then carry the child and perform the Tawaaf. In one Tawaaf, the Tawaaf for both will be made.

***************

IT IS A CONDITION FOR WOMAN TO TRAVEL WITH HER HUSBAND OR A MAHRAM.

It is prohibited for a woman to travel for a distance of forty eight miles (88km.) or more without a Mahram or her husband. This rule applies irrespective of whether the journey is by rail, motor or by air and also whether the purpose of the journey be for a worldly or a Deeni purpose.

Hadhrat Abdullah bin Abbaas (RadhiAllahu-anhu) narrates from Rasulullaah (Sallallhu Alayhi Wasallam):

"Never should a man (non-mahram), be secluded with a woman, and never should a woman journey but with a Mahram. Hearing this one person said "---I have written my name for Jihad and my wife has departed for Hajj. Nabi (Sallallhu Alayhi Wasallam) said: "Go and join your wife for Hajj." (Bukhari/Muslim).

This prohibition is for the young and the old woman. Some women think that it is permissible for a few women to journey together without a Mahram. This belief is totally erroneous. Rasulullaah (Sallallhu Alayhi Wasallam) has stressed this prohibition to include all women. The going for Hajj or Umrah without any Mahram is strictly forbidden and is a sin. Many women perform their Hajj or Umrah and spoil it by committing the sin of going there without a Mahram and thus acting contrary to Shari'ah.

It is necessary for Muslims to adhere to the Shari'ah instead of following their own desires. It is necessary to be even
more cautious for worldly journeys. Journeys of fifteen to twenty minutes should not be undertaken without a Mahram. In this lies the protection for modesty, dignity, honour and innocence.

THE MAHRAM

That person with whom marriage can never ever be proper is a Mahram, (i.e. father, son, son's son, daughter's son, son-in-law, father-in-law, maternal uncle, paternal uncle). It is important to note that the sons of the paternal and maternal uncles and aunts are not Mahram, because marriage is permissible with them. Similarly, the brother-in-law (sister's husband) is not a Mahram, for if he divorces his wife then it becomes permissible for him to marry his wife's sister.

If there is a foster brother (who has shared the milk of the same woman) within two years of birth, then he is her Mahram and she can accompany him for Hajj or Umrah. It is also important that anyone who is classified as a Mahram, but whose modesty and dignity is questionable, or one is not at ease with him, then it is not permissible to journey with such a Mahram no matter how closely one is related to him.

Some women make another person a father, brother or son at random and proceed together on journey. There is no Shar'ee basis for this. Calling someone son or brother does not make him a Mahram. He is just like all other strangers.

INTENTION AND TALBIYAH.

Make the intention after the two rakaats of Talbiyah as follows:

اللهُمَّ إِنِّي أَمَارْتَ الْعُمْرَةَ فَعِبَّرْتُهَا مِنْيَ وَقَدْ نَقَبَلْتِهَا وَقِيَ

"Yaa Allaah, I intend performing Umrah, so make it easy for me and accept it from me."

It is not necessary to make the intention with the tongue. To form an intention with the heart is also sufficient. One may make intention in any language. It does not necessarily have to be in Arabic. After intention, read the Talbiyah. The words are as follows:

الْحَمْدُ لِلَّهِ الَّذِي نَعَمتْ بِهِ نُورُيَّةٍ وَلَيْسَ كُلُّ مَحْدُودٍ لَّهُ نُورُيَّةٍ وَلَيْسَ كُلُّ مَحْدُودٍ لَّهُ نُورُيَّةٍ وَلَيْسَ كُلُّ مَحْدُودٍ لَّهُ نُورُيَّةٍ وَلَيْسَ كُلُّ مَحْدُودٍ لَّهُ نُورُيَّةٍ وَلَيْسَ كُلُّ مَحْدُودٍ لَّهُ نُورُيَّةٍ وَلَيْسَ كُلُّ مَحْدُودٍ لَّهُ نُورُيَّةٍ

Note that the two rakaats Salaat are Sunnat and not Fardh or Waajib, so if one could not perform them because of it being the Makrooh time for Salaat etc., one can leave it out and continue with the Talbiyah after making the intention for Umrah.

If a woman is menstruating, she should also do as above. That is, she should enter the state of Ihram without
performing the two rakaats Salaat. She should not make Tawaaaf until she is pure. If she enters Makkah in this state, she should wait until she is pure. Upon attaining purity, she should perform ghusl for Umrah, then Tawaaaf and Sa'ee and then all the rites of Umrah. The laws for the menstruating woman are the same for the one experiencing Nifaaq (post-natal bleeding).

RULE ONE:-
To read the Talbiyah after adorning the Ihraam is a condition. To do so three times is Mustahab.
After Talbiyah, read Durood and the following dua:

اللهُمَّ اسَتَرْكِيُّ مَنْ أَسَرَكَ وَلاَ تَرَكْيُ مَنْ تَرَكَ

"Yaa Allaah, I seek Your Pleasure and Jannah, and I seek refuge from Jahannam by Your Mercy."
Besides this, one may make whatever dua a person desires.

RULE TWO:-
After intention recite the Talbiyah in a moderately loud tone. IT IS NOT NECESSARY TO SCREAM. Woman will not recite the Talbiyah aloud. She should recite it in such a way that she can hear it herself.

LAWS OF TALBIYAH

RULE ONE: At the time of Ihraam, it is a condition to say the Talbiyah with the tongue. If one says it in the heart then one has not yet entered the state of Ihraam.

RULE TWO: After adorning Ihraam, it is Mustahab to recite Talbiyah in abundance, especially when changing conditions/positions e.g. morning and evening; standing and sitting; entering and exiting; meeting people and leaving people; on awakening; on boarding; on disembarking; on ascending and descending. Under these conditions it is highly emphasised and desirable to recite the Talbiyah.

RULE THREE: One should not speak in between the Talbiyah. To great someone reciting the Talbiyah is Makrooh.

RULE FOUR: If someone greeted one whilst reciting the Talbiyah then it is permissible to reply. However it is better to reply on finishing the Talbiyah, on condition that the person to whom one is to reply does not go away.

RULE FIVE: One should recite Talbiyah after the Fardh and Nafl salaats and during the days of Tashreek. Recite the Talbiyah after reciting the Tashreek. If the Talbiyah was recited then the Takhbeer of Tashreek lapses.

RULE SIX: If a Mauoq (one who joins the Jamaat after a rakaat or more has been performed) recites the Talbiyah with the Imam, then the salaat becomes invalid.

RULE SEVEN: Talbiyah should be recited individually and not collectively.
RULE EIGHT: It is Makrooh to reduce/decrease the words of Talbiyah.

RULE NINE: If one sees something out of the ordinary, say:

RULE TEN: Men should recite the Talbiyah audibly but not very loudly.
RULE ELEVEN: It is prohibited for women to recite the Talbiyah loudly.
RULE TWELVE: The Talbiyah of Umrah it is read until the commencement of Tawaf. On beginning the Tawaf of Umrah, stop reciting the Talbiyah.

ENTRY INTO MAKKAH AND MASJID-E-HARAM.

It is Mustahab to enter Makkah from the cemetery of Makkah called Al Mualla. If it is possible to do so easily, or else one may enter from any side. It is also Masnoon to make ghusl before entry into Makkah. These days it is difficult due to the restrictions and the crowds. If it is possible to make ghusl easily then do so. When Makkah Mukarramah is sighted, read this dua:-

And the following dua as well:-

"Yaa Allaah, Who is the Rabb of the Seven Skies and of all things which are on it, and the Rabb of Shaitaan and of all those whom Shaitaan has misled, and the Rabb of the wind and of all that it blows. Thus, we seek from You good from this habitat and good from its populace, and we seek protection from the evil/had of this habitat and from the evil of its populace."

After this, enter Makkah with utmost humility and meekness, keeping in mind the etiquettes, respect and dignity of the place one is entering. Keep your luggage at some safe place so that your heart is at ease, make wudhu and proceed quickly to the Masjid-e-Haram. The Masjid in which the Kaabah is situated is called the Masjid-e-Haram.
The word “Haram” is used in a respectable sense.

On entering the Masjid, read this dua:

"Oh my Rabb, forgive my sins, and open for me the doors of Your mercy."

(This is the dua to be read on entering any Masjid.)

When the eyes fall on the Kaabah Shareef, say three times:

اَللّهُ اَصْدَقْبَ اَللّهُ أَصْدَقَبُ اَذَّلَا يَذْهَبُ

Then:

اللّهُ زَهْدُ الْبَيْتِ نَصْرًا وَتَغْيِظًا

وَنَكْرِيَةً وَطَهْرَةً وَزَدَةً مِن شُفَقَة

وَكُونَهُ مِنْ حَجَةٍ أَوْ اعْتِمَرَةٍ نَصْرًا

وَنَكْرِيَةً وَتَغْيِظًا وَزَوْرًا , أَلَّهِمَ

أَلْلّهُ بِالْسَّلَامِ وَبِنَدْلِ الْسَّلَامِ فَحْبَا رَبِّنَا

بالسلام

"Yaa Allaah, raise the honour, dignity and virtue of this House and increase the dignity and respect of those that visit this House for Hajj or Umrah, and Your name is Peace and we can obtain Peace from You, thus keep us alive in Peace."

Recite Durood Shareef after this and then, while standing, pray whatever you desire to pray, for duaas are accepted easily during this time.

After entering the Haram in the proper manner, the first thing to be done is to perform Tawaf. For the person who came with the Ihraam of Umrah, the Tawaf will be his Umrah Tawaf which is Fardh. For the person who has come with the Ihraam of Hajj, the Tawaf will be the Tawaf-e-Qudoom, which is a Sunnat Tawaf. If a person has entered the Haram at a time when Jamaat Salat has just commenced, then he should first join the Jamaat and make the Tawaf later.

*******************

ABOUT TAWAAF

To go around the Baitullaah, (i.e. Kaabah Shareef) in a stipulated manner is called Tawaf. On the western side (corner) of the Kaabah, the Hajr-e-Aswad is situated. From this point Tawaf starts and ends. Whilst performing Tawaf, the Kaabah is on the left side. Some part of the Kaabah has got no roof. It is called the Hareem.
The Misaab-e-Rahmat (water outlet pipe) protrudes from the top of the Humaam. When performing Tawaafl, one has to go around this portion (Humaam), which has no roof. On every round one should make "Istilaaam". This means the touching of the Rukne-Yemeni (corner of the Kaaba) with both the hands or with only the right hand. It is situated on the southern side of the Kaaba, which is opposite the Hajir-e-Aswad. It is on the side towards Yemen and hence its name.

The one who adorned the Ihraam for Umrah, will perform the Tawaafl for Umrah, which is Fard. All these Tawaafls after which Sa'ee of Safaa Marwa is made (such as the Tawaafl for Umrah or the Tawaafl after which Sa'ee is made- and some people make Sa'ee even after the Tawaafl of Qudoom), then Ramal and Istibaaq is Masnoon. Ramal refers to the walking with short quick steps, the chest out, and the movement of the shoulders. Istibaaq is the placing of the Ihraam cloth under the right armpit and over the left shoulder, so that the right shoulder remains open. Ramal is made only in the first three rounds of the Tawaafl, and Istibaaq is made in all seven rounds. Both Ramal and Istibaaq are only performed by the men and not by the women.

INTENTION OF TAWAAFL AND METHOD OF PERFORMANCE

Tawaafl is not valid without intention. To make the intention in the heart is sufficient and it is also proper to say it with the tongue. When intending to perform Tawaafl, then go to that corner of the Kaaba where the Hajir-e-Aswad is situated and stand like this. Stand opposite the Hajir-e-Aswad in such a manner that the right shoulder is opposite to and in line with the left side of the Hajir-e-Aswad. When facing the Hajir-e-Aswad, you should be on the left side of it. Standing in this position, make the intention for Tawaafl.

To say the following verbally is good:-

```
اللهُمَّ أَسْتَرَى أَن أَطْلُقُ لِلْمَعْرَجِ وَلِلْمَدْرَجِ 
```

"Ya Allah, I intend performing Tawaafl of Your House, so make it easy for me and accept it (from me)."

After making intention, move a little to the right so that the Hajir-e-Aswad comes straight in front. Then raise the hands as one does in Salaat, to the ears and say:-

```
بِسْمِ اللَّهِ ﻋَزَّ ﻭ ﺪِارَكَ ﺔَلٰهُ إِلَإَـٰ ﺔَلٰهُ إِلَـٰهَيَ ﺔَرَبُّ ﺔَمْ ﻻَ إِـٰهُ ﺔَرَبُّ ـٰمْ ﻻَ إِـٰهُ 
```
To push others and to put them through difficulty is Haraam. It is also important to remember that at the time of kissing the Hajj-e-Aswad, one should not put the hand on the silver surface which surrounds the Hajj-e-Aswad. Those in Ihraam should remember that some people use or rub perfume on the Hajj-e-Aswad. Therefore, if one does not touch the Hajj-e-Aswad then one will be saved from using perfume.

Kissing the Hajj-e-Aswad is called Istilaam. After Istilaam, one should move to the right and with the Kaabah on the left, walk on, and pass outside the Hareem. When passing the back of the Kaabah, one comes across the Rukn-e-Yamani, which is parallel to the Hajj-e-Aswad. When approaching this corner, then one should touch it with both hands or the right hand only. When proceeding between the Hajj-e-Aswad and the Rukn-e-Yamani, read:

```
بسم الله الرحمن الرحيم
```

On reaching the Hajj-e-Aswad say “Allahu-Akbar” and make Istilaam as previously explained. This is one round. Repeat the same process six more times to complete seven rounds. One round is called a Shaut and all are called Ashwaat.
Do not look at the Kaahah while making Tawaaf, and do not face your chest or back towards it. After Tawaaf, go to the Maqaam-e-Ibraheem and perform two rakaats of Salaat behind it. If you do not find place immediately behind it then read the two rakaats anywhere in the Haram. If it is Makrooh time for salaat, then wait for the time to pass and then perform it.

There is NO specific dua which is Fardh or Waajib to read and without which the Tawaaf can be invalidated. Even if no dua is read at all, the Tawaaf will still be made. However it is better to read as many duas as possible. Whichever dua you have a strong inclination to make, and whichever dua best expresses your needs, make it with humility, meekness and sincerity. If you wish to read a dua from a book, then it is also permissible. There are some books which contain duas for each round. These are good but they should not be regarded as Sunnat, since there is no proof that Rasulullah (Sallallhu Alayhi Wasallam) read those duas.

There are ahaadith, as we will now write about, in which Rasulullah (Sallallhu Alayhi Wasallam) encouraged them to read certain duas or read them himself.

This implies that if a person had stayed in the Remembrance of Ilah while making Tawaaf, his whole body would have benefited from the Mercy of Allah. Since he has not done so, the amount of Mercy he has earned is only the extent of that which can cover the feet.

(Ibn-e-Maajah).

Hadrat Abu Hurairah (Radhiyallahu-anhu) narrates that there are seventy angels situated at the Rukn-e-Yemeni. Whoever reads the following on reaching the Rukn-e-Yemeni, all the angels say "Ameen" to it.

"Yaa Allah, You know all my external and internal conditions. I present an excuse, accept my excuse and fulfil my needs and what is in my heart, and forgive my sins. Yaa Allah, I ask of you such Imaan which absorbs (fills) and penetrates my heart and ask for truthful certainty so that I know that only that which You have written for me, will reach me and whatever has been stipulated for me, I will be pleased with it."
THE LAWS OF TAWAAF

RULE ONE: Intention is a condition for Tawaaf, without which there can be no Tawaaf.

RULE TWO: It is Mustnood to make Istibaa in the Tawaaf followed by Saaee, whether it is a Haji or Umrah Tawaaf.

RULE THREE: Istibaa means to take the cloth under the right armpit and to place it over the left shoulder, leaving the right shoulder open, and to keep both the ends on the left shoulder. This Istibaa is to be carried out by the men in all seven rounds. On completion of the Tawaaf, cover the shoulders and then perform the two rakaats Salaat. It is Makrooh to perform the Salaat with Istibaa. Istibaa is only Mustnood for Tawaaf. There are some people who perform Istibaa during Sa’ee, whereas Istibaa is only Mustnood in those Tawaafs after which Sa’ee is performed. Therefore no Istibaa in Sa’ee, and ordinary Tawaafs which are not followed by Sa’ee.

RULE FOUR: It is Mustnood to make Ramal (for men), in that Tawaaf which is followed by Sa’ee. Ramal is the manner of walking with the chest out and the shoulders moving while taking quick short steps.

RULE FIVE: If one made Tawaaf without wudhu then this has to be repeated with wudhu. If it is not repeated then there is a penalty. (Details ahead).

RULE SIX: The closer the Tawaaf to the Kaabah, the greater the reward, but one should be cautious not to put others into difficulty.

RULE SEVEN: Read the Third Kalimah constantly and the following dua in Tawaaf.

RULE EIGHT: If Jannat or Janazah Salaat commences or the wudhu breaks whilst making Tawaaf, then continue the Tawaaf after the Salaat or fresh wudhu. However, it is better to perform a fresh Tawaaf if the above occurred before performance of the major part of the Tawaaf.

RULE NINE: If Salaat commences whilst one is making a round of the Kaabah, then complete the round if possible, and join the Salaat. If it is feared that the rakat will be lost then stop the round and join the Salaat immediately and continue from where one had stopped after the Salaat is completed.

RULE TEN: It is permissible to carry a person on the back or on a bed, if that person is so ill or incapacitated. It is also permissible for a few people to take turns in carrying the person.

RULE ELEVEN: If the person who is being carried is conscious then he should make intention himself. If he becomes unconscious after entering into the state of Ibtima, then the intention of the carrier on his behalf will suffice.
RULE TWELVE:— If the carrier made intention for himself as well as for the person who is being carried, then both their Tawafis are valid and an extra Tawaf need not be made.

RULE THIRTEEN:— The area of Tawaf is around the Baitullaah inside the Masjid. Tawaf is made whether near or far, even passing around the Zam-Zam and the pillars. Tawaf is valid as long as it is made within the boundary of the Masjid.

RULE FOURTEEN:— If a person climbed onto the roof of the Masjid and performed Tawaf then his Tawaf is valid even though he is higher than the Baitullaah.

RULE FIFTEEN:— Tawaf is not valid outside the Masjid-e-Haram.

RULE SIXTEEN:— It is Makrooh to talk in vain and to buy and sell things whilst performing Tawaf. To explain Shar’ee laws or to ask essential questions is not Makrooh.

RULE SEVENTEEN:— It is Makrooh to recite duas or perform zikr in such a loud tone so as to disturb the concentration of others who are performing Tawaf and those who are making Salaat.

RULE EIGHTEEN:— It is Makrooh to suppress the call of nature whilst performing Tawaf.

RULE NINETEEN:— Istilaaam—see laws regarding this mentioned earlier. To push others and to put them into difficulty is a major sin.

RULE TWENTY:— It is prohibited to face the Kaabah while performing Tawaf.

RULE TWENTY-ONE:— It is prohibited to kiss any other side or wall of the Kaabah besides the Haji-e-Aswad, and the threshold of the Kaabah. The Hujjat-e-Yemeni should be touched with the hand but it should not be kissed.

RULE TWENTY-TWO:— When entering those Tawafis in which one has to perform Ramil during the first three rounds, then observe whether there is a crowd or not. If there is a crowd, then wait a while and when the crowd subsides then start these Tawafis.

RULE TWENTY-THREE:— If one started such a Tawaf and could not perform Ramil due to the crowds then omit it.

RULE TWENTY-FOUR:— If one cannot perform Ramil due to weakness or old age then the Tawaf is in order.

RULE TWENTY-FIVE:— If one forgot to perform Ramil and after one or two rounds one remembered then make Ramil in what is left of the Tawaf. If one remembered after the third round then one need not make Ramil.

RULE TWENTY-SIX:— If the one making Tawaf is in doubt as to which round it is, then, for the farah or waajib Tawaf, one should repeat the round in which doubt arose. For example, if one starts doubting whether it is the sixth or the seventh round, then one should perform one other round so as to ensure that seven rounds have been completed. For the Nafl round one should act upon that which one feels more inclined, towards. If one feels more certain that it is the seventh round and less certain that it is the sixth, then one may complete the Tawaf in that round.
RULE TWENTY-SEVEN: It is emphatically prohibited to push and pull and cause discomfort to those nearby while performing Tawaaf. Women, especially, should abstain from areas where the possibility of this exists. They should, whenever possible, make the Tawaaf as away from the men. A woman who suspects the beginning of her menstruation should complete her Tawaaf quickly and separate herself from the men around.

RULE TWENTY-EIGHT: Just as the intention for Tawaaf is valid on behalf of the non-understanding child, so too is the intention for Sa’ee.

NAFL TAWAAF
RULE ONE: After the Umrah, Tawaaf, Sa’ee and Halq or Qasr - and before the days of Hajj - perform as many Nafl Tawaaf as possible. Consider it a boon to be in a place such as Makkah Mukarramah. Instead of roaming the bazaars, rather perform Nafl Tawaaf in abundance. The virtues of Nafl Tawaaf are great. Furthermore, Tawaaf is an Ibaadat which cannot be performed anywhere except in the Haram. Therefore perform Tawaaf in abundance. Although many people perform many Umrah, and this also carries great reward, it is more superior to perform more Tawaaf than to perform more Umrah. A person who goes to Thleen to don his Ihram and then returns and performs Sa’ee and Halq or Qasr after his Tawaaf, could have performed so many Tawaafs during that time. Thus one should not overlook the benefits of Tawaaf.

TWO RAKAATS AFTER TAWAAF

After every Tawaaf, (Fardh, Waajib or Nafl) it is Waajib to perform two rakaats salaat. It is best to perform these behind the Maqaame Ibraheem.

If there is no place there then one can perform these anywhere in the Haram. If one did not perform these two Rakaats in the Haram then the responsibility of doing so still remains and one must perform them even if one is back home, for this can be performed anywhere in the world, as long as one lives. It is masnoon to recite:

\[
\text{بُنَيَّ يَا ذِي الْقُرْءَانِ}
\]

AND

RULE ONE: After Tawaaf, it is Masnoon to perform the two rakaats without delay. To delay deliberately is Makrooh. However, if it is the Makrooh time for Salaat, then let that time pass and then perform the two rakaats.

RULE TWO: If one ends the Tawaaf after Asr Salaat, then wait for the sun to set and when performing the Maghrib Salaat, then read the two rakaats of Tawaaf after the three Fardh of Maghrib and before the two simulat rakaats of Maghrib. Similarly, if one completed the Tawaaf after the Fajr Salaat, then read the rakaats of Tawaaf at the time of Ishraaq.

RULE THREE: If someone performed the two rakaats after Fajr or Asr salaat before the yellowness set in, then the rakaats will be valid but with detestement. It is better to
repeat it. If the two rakaats were performed at Zawaal, sunrise or sunset then it is Waajib to repeat it.
After the salaat of Tawaaf, go near the Maqaaam-e-Ibraahim and pray for whatever you desire.

DUAA AT MAQAME-E-EBRAHIM

You know what I require, grant my wish. And You know what is in my heart, forgive my sins.
O Allaah, I seek from You such Imaan which merged with my heart, and such truthful faith that I realise that nothing reaches me except that what is written for me. And I seek to be pleased in that what has been written out for me. You are my aid in this world and in the aakhirat. Let me die as a Muslim and count me amongst the pious ones.

And let none of our sins be un-forgiven on our visit to these blessed lands and free us from all difficulties (anxiety) and fulfil our needs of the needs of this world and the Aakhirat. Make it easy for us and make all things easy for us and open our bosoms and enlighten our hearts and let our actions end in goodness.
O Allaah let us live as Muslims and die as Muslims. And let us join the company of the pious without disgrace and without trial.
Ameen- O Rabb of the Entire Universe.
DUA TO BE READ AT THE MULTAZAM

This is a special place for the acceptance of duaa'. It has been
experienced that duaa' are definitely accepted here. There
is no specific dua for this particular place. However, for
those who cannot focus on any dua, we have noted the
following dua:

"Ya Allah! Bless this water for us and grant us its benefits. Grant
us the safety of these blessings and protection from all
harm. May it be a source of comfort and solace to us."
the Āakhirat and from the humiliation of this world. Yaa Allah, I am Your servant, and the son of Your servant, standing under Your Holy Door, clinging to the threshold of Your Door, with humility, in front of You, Seeking Your Mercy. Fearing the punishment of Jahannam (Tire). O Everlasting, Kind One, O Allah, I ask of You. Remember me, raise my remembrance, and my sins, make my actions correct, purify my heart, enlighten my grave, forgive my sins, I beg for a High position in Jannah.” (Ameen).

SAFE

After completing the two rakaats of Tawaaf, perform the Istilam of the Hajr-e-Aswad and proceed for Saee which begins from Safa. On reaching Safa read:

إِنَّ السَّفاَةَ وَالْمَرْجَةَ مِنْ نَصْرِ اللَّهِ

Verily. Safa and Marwa are the signs of Allah.

After that say;

أَتَّبِعْنَا بِالْوَكِيلِ أَيُّهَا الْمُؤْمِنُ

Ascend Safa upto to a pint from where one can see the Kabaah and then facing the Kabaah recite:

لَهُمْ إِلَيْهِ الْبُكْرَةُ وَالْآفَرَةُ لَا تَبْنِئُوا كَلَّا لَّهُ ابْتِدَاعُ

O Allah! Exalted are You, There is none worthy of worship except You, Lord of the worlds.

"There is no ilaaah worthy of worship but Allah. He is One He has no partner. For Him is the Kingdom and for Him is All-Praise. And He has control over all things. There is no ilaaah worthy of worship but Allah. He is one. He has fulfilled His promise and He has helped His servant and He has defeated the hostile enemy forces all by Himself"

RULE ONE: To go back and forth between Safa and Marwah is called Saee. This is Wajib for Hajj and Umrah. It can be done after Tawaaf-e-Qudoom, for Hajj and also after Tawaaf-e-Ziyarat. After the two rakaats of Tawaaf, first go to the Hajr-e-Aswad, make Istilam, then go towards Safa and begin the Saee. Say-

اللهُمَّ أَقْثِبْنَا بِكَانِيَةِ الصَّالِحٰتِ

"Ya Allah, I intend making Saee between Safaa and Marwah, seven times, (for Your pleasure. Make it easy for me and accept it from me)"

RULE TWO: It is not necessary to make the rounds for Saee consecutively. If one performs the rounds of Saee separately after Tawaaf, for example, one round in the morning, one round in the afternoon and one at night, and in this manner completes all the rounds, even if it takes a
few days, then also it is valid and no penalty will be compulsory.

RULE THREE: If one made Sa'ee without wudhu, then Sa'ee is valid and no penalty or Sadqah is compulsory.

RULE FOUR: If a woman performed Tawaaf of Hajj or Umrah with wudhu while in the state of purity, then her menses commenced and she made Sa'ee in that state, then the Sa'ee is invalid.

RULE FIVE: It is not permissible to make Sa'ee on a wheelchair, without a valid excuse. If one did so and repeated the Sa'ee while walking, then Damm is compulsory.

While running between the two green pillars recite:

"O Allaah forgive and have mercy and You are the One Most-Exalted in Honour and the Most-Elevated in Nobility."

******************************

1. LAWS OF HAJJ (shaving) or QASR (Trimming)

It is Waajib to shave or trim the hair in order to come out of Ibraam. If someone went outside the boundaries of the Haram, (e.g. Madinah or Jeddah), and shaved or trimmed their hair, then Damm is compulsory. If, however, he went out of the boundaries of the Haram and did not shave or

trim the hair but returned within the boundary and then shaved or trimmed the hair, then Damm is not compulsory.

RULE ONE: One cannot cut the nails, trim the moustache or remove the pubic hair until one has shaved or trimmed the hair of the head. If one had done so then Damm is compulsory.

RULE TWO: It is best to come out of Ibraam by shaving all the hair of the head or to remove one length of hair equal to one finger joint, as is the case for women. It is Haram for women to shave the head. She should therefore remove one finger-joint length of hair from her plait and she should feel certain that she has removed this amount of hair from her head.

RULE THREE: It is best for men to shave the entire head. However it is essential to remove at least a quarter of the hair of the head, in order to come out of Ibraam. The method of doing this is to remove the hair in such a manner that the length of the hair which is cut measures not less than the length from the tip of the finger to the first joint, from all around the head and not from one side only. However, to be content with only this amount of removal is Makrooh.

RULE FOUR: If a man does not have even this amount of hair on his head, then it is necessary to remove all the hair. Cutting, shaving or trimming only a few strands of hair from the head or removing hair from any other part of the body does not remove one from Ibraam. It should be understood that if the above procedure is not followed then
it will be necessary to give penalty (Damm).

ABOUT HALQ AND QASR.

Halq is the shaving of the hair, and Qasr is merely the trimming of the hair. Whether the Ihram is that of Hajj or Umrah or of both, the method of being released from it is specified by Halq or Qasr. One cannot be released from the state of Ithraam, unless Halq or Qasr has been made. If one had worn sewn clothing, or cut any other hair besides that of the head, or pared the nails, or applied henna before Halq or Qasr, then Dumm (penalty) becomes Wajib. A person who performs Umrah will make Halq or Qasr after Sa‘ee.

THE METHOD OF PERFORMING HALQ OR QASR.

This procedure should be carried out while facing the Qibla. Start shaving or trimming from the right side. At the time of Halq or Qasr, say Takbeer and then the following dua which has been narrated from the elders:

الحمد لله على ما هدينا واتعمنا علينا وقضى

علنا نسكنا، اللهم هذه ناسبتي بنبدك

فأفعل لي بكلي شحرة نوزٌ، يوم الفيضة واحم

عليه وانصاتي وأرفع لي بها دورة في الجنة

“All Praise is for Allah, who has granted us Hidaayaat (guidance), and has granted favours upon us and has completed (grants us the ability) for us the actions and laws of Hajj. Yaa Allah, my forehead is in your control, thus specify for each hair, a light on the day of Qiyaamah. And for every hair, forgive a sin of mine. Increase the stages of Jannah for me, for each hair. Yaa Allah, grant Barakat to me with my Nafs (inner self) and accept my Hajj. Yaa Allah, forgive me and those who make Halq and Qasr. Oh Most Forgiving, Aameen.”

After Halq or Qasr, also say Takbeer. All the prohibitions, except relations with one’s wife, end with the performance of Halq or Qasr. This relation is only permissible after Tawaff c-Ziyarat.

Some people hold the incorrect belief that one has to go fourteen times between Safa and Marwah, completes the Sa‘ee. This is erroneous. There are only seven rounds for Sa‘ee.

After Sa‘ee, make Halq or Qasr.

Halq is better than Qasr. To complete Halq or Qasr of the
whole head is Sunnat. If the hair is so short that it is shorter than one finger-joint length, then Haji is necessary.

**WARNING!**
Many people snip a few hairs of the head, and wear their normal attire, thinking that they are out of Ihram. This is not proper. Such a person has not been released from Ihram, and the restrictions of Ihram still apply to him.

If one did this and then realised that he had erred, he should immediately perform the Haji or Qasr in the proper manner and then enquire from the Ulema as to what penalty he has to pay.

It is also important to know that it is Waajib to perform the Haji or Qasr within the boundaries of the Haram. Many people come to the Haram and other blessed places with more love for their hair than for the SHARIAH. Leave aside Haji, they do not even perform Qasr. Haji and Umrah are the occasions when the love of the lover of Allaah is displayed. This is time when some people choose to display the love of their hair more than they consider their love for the Law of the Lofty. How regretful!

Those that live within the boundaries of the Mecqat, e.g. Makkah, Madina, Jamoom, Arafat etc., can enter the Haram without Ihram. If they cannot sacrifice their hair, then they should not wear the Ihram and enter Makkah Muharramaah, but they should rather make as many Tawaafs as possible. For Tawaaf, only wudhu is a pre-condition, and its reward is great. The amount of time spent in making Umrah can rather be spent making Tawaafs. This is much better than adorning the Ihram of Umrah and not cutting the hair in the proper way.

However, those that live outside the Mecqat (e.g. Madinah Munawwarah, Taif and Riyadh), cannot enter the Haram without Ihram. This is the case even if they come for worldly matters. These people have to adorn the proper Ihram and then perform the proper Haji or Qasr before coming out of Ihram.

**RULE ONE**: There is no Tawaaf-e-Qudoom or Tawaaf-e-Widaa in Umrah. When adorning the Ihram of Umrah and entering the Masjid-e-Haram, the first Tawaaf made will be the Tawaaf of Umrah.

*************** ************ ************ *************

**THE REWARD OF SALAAT IN THE MASJID-E-HARAM**

The Masjid which surrounds the Kaabahh is called the Masjij-e-Haram. The performance of Salaat there carries many rewards. Hadhrat Jabir (Radhiallaahu-anhu) narrates that Rasulullah (Sallallaahu Alayhi Wasallam) said that one Salaat in his Masjid is superior by a thousand times when
compared to other Masjids but the Masjid-e-Haram is the exception (because the reward is much more than that), and one Salaat in Masjid-e-Haram compared to other Masjids is superior by one lakh (a hundred thousand). (Targheel Vol Two Pg 214, Ahmed, Ibn-e-Majah with two valid Sanads.)

These days one is fortunate enough to stay in Makkah and to be able to perform the Fardh Salaats with Jamaat. Such rewards are not to be found anywhere in the world. Yet we will still find people roaming the bazaars and who are not steadfast with their Jamaat Salaat in the Masjid-e-Haram. Many people deprive themselves of this great reward out of sheer laziness and sometimes with the excuse of the heat or cold. This is indeed unfortunate.

************************************************************************************

PROHIBITIONS OF IHRAAM.

After adorning Ihraam, be cautious of the restrictions of Ihraam, i.e. Abstain from those things which are prohibited during Ihraam.

The male should not wear any such clothing which are designed for the body such as Kura, trousers, vest, hat, socks, shorts, jockey etc. Also it should not cover the face and the head.

The female should wear the clothing she normally wears (i.e. sewn clothing) but she should not let it touch the face.

In Ihraam, it is prohibited to apply ittar on the clothing or the body, nor to use scented or perfumed soap, or to eat perfumed tobacco. It is also prohibited to par the nails, cut the hair from any part of the body or to shave.

To kill land animals or to kill the lice on one’s clothes or to remove it from oneself and to throw it and to kill a locust is also not allowed.

To indulge in a relationship with one’s wife and to kiss or caress or to even talk of such things in front of one’s wife, or any other woman is not allowed. A person in Ihraam should be steadfast in abstaining from quarrelling and fighting.

RULE ONE:-
As stated earlier, the women should not let any cloth touch the face, but they should adopt a means of covering the face from strangers in such a manner that it does not touch the face. She must protect herself from the sight of strange men.

RULE TWO:-
A common misconception today is the belief that there is no Purdah while wearing the Ihraam. This stems from ignorance and should be corrected. It causes the women who discard purdah to become sinners and also the men who look at them.
IHRAAM OF UMRAH FROM TAN'EEM AND JO'RAANAH.

If any person from Makkah Mukarramah or anywhere within the boundary of the Haram wishes to perform Umrah, then it is Waajib to adorn the Ihraam at Hill. Hill is that place which is outside the boundary of the Haram upto inside the Meeqat.

All around Makkah Mukarramah is the Haram, and the distance varies. From one direction it is ten miles, and in another, nine and in yet another, seven.

When going from Makkah Mukarramah to Madinah Munawwarah, the Haram ends at a place called Tan'eeem. Before it was stated that the distance between Makkah Mukarramah and Tan'eeem is three miles, but now that the population of Makkah has increased in all directions, encompassing Tan'eeem, there are signposts at every side showing where the boundary ends.

When Rasulullaah (Sallallhu Alayhi Wasallam) sent Hadhrat Ayesha (Radhiyallaaahu-anhu) with her brother Abdur-Rahmaan bin Abu Bakr (Radhiyallaaahu-anhu) for Umrah, they came out of the boundary of the Haram (i.e. to Tan'eeem) and then adorned the Ihraam and performed Umrah. When she completed the Umrah, she joined Rasulullaah (Sallallhu Alayhi Wasallam) who intended the journey to Madinah Munawwarah.

Nabi (Sallallhu Alayhi Wasallam) asked Hadhrat Ayesha (Radhiyallaaahu-anhu) to go to Tan'eeem because this place is nearer in distance and this is also why those making Umrah from Makkah generally go to Tan'eeem to wear the Ihraam. There is also a Masjid here called Masjid-e-Ayesha (Radhiyallaaahu-anhu).

Jo'raanah is nine miles from Makkah Mukarramah. It is also outside the boundary of the Haram. When Rasulullaah (Sallallhu Alayhi Wasallam) returned from Taif, he adorned his Ihraam here and then made Umrah. Transport is available from both these places. The Umrah performed from Tan'eeem is commonly called "chota Umrah" (small Umrah) and that which is performed from Jo'raanah is referred to as "bara Umrah" (big Umrah), because of the difference in their distances.

It is also proper for a person who went away to Hudaiiyahah, in the direction of Jeddah (which is called Shamsiyahah) to go outside the signpost demarcating Shamsiyah (the Haram boundary) and to adorn the Ihraam there. Hudaiiyahah is on the road to Bahra. One will not come across it on the new road between Makkah and Jeddah.

Many people go repeatedly to Tan'eeem to adorn the Ihraam sometimes daily and sometimes more than once a day, to perform Umrah. It is not prohibited to perform many Umrahs, in fact it is Mustahab, but it is more superior to perform more Tawaafs than more Umrahs.

Since going out to Tan'eeem to adorn the Ihraam takes up more time, during which more Tawaafs could have been performed, it is better to perform more Tawaafs.
IMPORTANT:
Many people have been observed to perform Sa'ee, other than the Sa'ee of Hajj and Umrah, thinking that there is reward in this. This is not correct, because there is no proof for the Nafl Sa'ee in SHARIAH. It is therefore logical and intelligent to spend one's effort and time towards that which is proven, such as performing Tawaaf, which has abundant reward.

WARNING!
Every time Umrah is performed, the blade must be passed over the head, whether there is hair on the head or not. This is the method of coming out of Ihraam. People who perform several Umrah within a few days should be aware of this. It has been observed that many people who intend performing many Umrah, shave a quarter of the head for the first Umrah, then the next quarter for the next Umrah and the third quarter for the third Umrah, and the fourth quarter for the fourth Umrah. This is incorrect and Makrooh. This prohibition has been recorded in the Hadith.

Shaving of the whole head each time is necessary, so act on the better method. What is the need to act upon a detested way and shave only a quarter of the head and be satisfied with a quarter Halq?

WARNING!
It is important to note that to remove only a few hairs of the head and to perform Umrah upon Umrah on this method, where the next Ihraam is adorned after not even coming out of the first Ihraam, is not permissible and Danin becomes Waajib for this. This rule should always be remembered.

***************
JINAAAYAT - THE PROHIBITIONS OF IHRAAM AND THE DETAILED PENALTY ON THE CONTRAVENTION THEREOF.
Jinayaat is the plural of Jinayaat. To act contrary to the restrictions of Ihraam is called Jinayaat (Flaw/error). That which becomes Waajib because of Jinayaat is called Jaza (penalty).
The following eight Jinayaat are prohibited for both Umrah and Hajj.
1) Using perfume.
2) For men to wear sewn clothing.
3) For men to cover the head or face and for women to cover the face.
4) Removal of hair.
5) To cut the nails.
6) Sexual intercourse.
7) To discard any Waajib act.
8) To hunt a land animal.
RULE ONE:-

b) instead of Sadaqah, one has the option of either giving the Sadaqah or keeping one fast.

RULE TWO:
The following are regarded as valid excuses:-

a) all types of fever.
b) severe cold.
c) extreme heat.
d) wounds, sores, boils and blisters.
e) severe cold.
f) severe headache of the whole or half the head.
g) large quantity of lice on the head.

CAUTION!
1. As for the Dam for Jinaayat the sacrificial animal has to be slaughtered within the sacred limits of the Haram. This is Waajib. As for Sadaqah it can be given to the poor or needy outside the limits of the Haram.
2. The person who has committed the offence cannot eat the meat of the Dam. Also a person who cannot receive Zakaat,
3. Due to wealth many people arrogantly commit Jinsayat intentionally stating that they have the means to pay. This makes them sinners. Most likely placing all their ibadaat in jeopardy-perhaps they are accepted by Allah. If anyone has done so then one must repent sincerely and make amends as well.

SEXUAL RELATIONS AND UMRAH RULING
1. By the act of looking at one's wife with desire or imagining about her results in ejaculation or wetness will cause no Dam etc. Ghusl will be Waajib.
2. Touching or embracing with passion and intercourse is forbidden (haram) until such time that one is not out of Ihraam following the proper principles of SHARIAH. This is the case whether one has the Ihraam of Hajj or Umrah.
3. Dam is waajib. Umrah will not be rendered invalid. Ejaculation or not makes no difference.
4. If one had intercourse before starting the Tawaaf of Umrah or before completing the fourth round of the Tawaaf, then Umrah is also nullified and one goat is Waajib as Dam. In this case one has to complete all the rites of Umrah and become “Halaal” (i.e. out of Ihraam in the proper way), then make the Qaza of Umrah. If more than four rounds were made, then the Umrah is not nullified but one goat is still Waajib. If one did so after Tawaaf, Sa’e and Halq, then nothing is Waajib.
5. If a Muhrim touched, embraced or kissed a woman or a

headless youth with passion, then one Dam becomes Waajib even if no ejaculation resulted.
6. If one had a wet dream while in Ihraam, then nothing is Waajib, but ghusl is Fardh. If one’s Ihraam becomes soiled, then the impurity should be washed off.
7. If one performing Umrah had sex after Tawaaf and before Sa’e or after both Tawaaf and Sa’e but before shaving the head, then his Umrah will not be void but Dam is Waajib. One may have sex after Halq or Qasr for one is released from Ihraam by then.

IHRAAM UPON IHRAAM

Some after Tawaaf and Sa’e of Umrah enter into another without Halq or Qasr. Whilst others shorten their hair inadequately which does not release them from Ihraam and enter into another Ihraam. Thus in these cases the person has adorned a Ihraam on another Ihraam which is Haram. If this was done then Dam becomes Waajib.

CROSSING THE MEEQAT WITHOUT IHRAAM

Rasulullah (Sallallahu Alayhi Wasallam) has specified four such places which one is not allowed to pass without wearing the Ihraam, upon entering Makkah. These places are known as the Meeqat. They are far from Makkah Mukarramah. Besides these Mawaaqeeq, around Makkah Mukarramah, there are others at the boundaries of the Haram. These are
marked with signs. The boundaries are different in all directions.

RULE ONE:-
From Makkah Mukarramah, to Madinah Munawwarah, the boundary is at Taneeem. Initially this place was three miles from Makkah, but the population has now grown to the boundary.

RULE TWO:-
Towards Jeddah, the boundary is ten miles and from Taif, Iraq and Yemen, the boundary is about seven miles, and towards Jofraanah, nine miles.

The residents of the rest of the world outside those Mawaaqeqat, are called "Aafaaqy". The area between the Mawaaqeqet and the boundary of the Haram is called the "Hill" and it's residents are called the "Hilli", or the "Able Hill". Those staying within the boundary of the Haram are called the "Able Haram".

RULE THREE:-
It is prohibited for anyone coming from the "Aafaaqy" to Makkah and the boundaries of the Haram to enter these areas without Ihraam. According to the SHARIAH, these people cannot pass the Meeqat without Ihraam.

Those coming from Madinah Munawwarah have Zul Hulaifah as the Meeqat (which is also called "Bir Ali"or"Abdar Ali"

Those coming from Riyaadh and Taif, "Qarn" is the Meeqat. Those coming from Taif, adorn their Ihraam at "Wadi Muhram". This place is the exact spot of the Meeqat or in line with the Meeqat.

Those coming by air from India or Pakistan pass this Taaf Meeqat or pass across it's line.

It is essential for those coming from "Aafaaqy", who wish to enter Makkah or it's boundaries, to adorn the Ihraam from or before the Meeqat. It does not matter whether one is coming in for Hajj or for any reason. If one is coming during the season of Hajj, then one should adorn the Ihraam for Hajj, otherwise adorn the Ihraam for Umrah, and first perform Umrah, then proceed with whatever work one had come for.

These restrictions of Ihraam are due to the sanctity, honour, dignity, respect and status of the Haram.

Generally, one should tie the Ihraam before, or at the Meeqat. If one is travelling by plane, then one must tie the Ihraam before the Meeqat - since one will not know exactly when one is crossing the Meeqat.

RULE FOUR:-
That person who crosses the Meeqat without adorning the Ihraam, is a sinner and should immediately return to the Meeqat and adorn the Ihraam. If one did not do so then one Dam becomes Waajib. There is no Dam if one returned and adorned the Ihraam, irrespective of whichever Meeqat he returned to.
RULE FIVE:-
if a person crossed the Meeqat without Ihraam and later adorned the Ihraam and before reaching Makkah Mukarramah, returned to the Meeqat and recited the Talbiyah, then also Dam lapses. If one enters Makkah Mukarramah and returned before commencing the Tawaf and recited the Talbiyah, then also Dam lapses.

RULE SIX:-
If one crosses the Meeqat without Ihraam and does not return to the Meeqat, and performs Hajj or Umrah, then Dam is Waajib.

RULE SEVEN:-
"Aaafaqii" is one who comes from outside the Meeqat. If such a person enters the Haram of Makkah Mukarramah without Ihraam, then it is Waajib upon that person to perform one Hajj or Umrah.

If one enters numerous times without Ihraam, then for every time, Hajj or Umrah becomes Waajib.
Since the opportunity for Hajj comes only once a year, and the technicalities of the Laws make it difficult, the easier option is to make the intention of Qa-a'a and make Umrah for each time one entered the Haram or Makkah Mukarramah without Ihraam.

RULE EIGHT:-
The Able Hil can enter Makkah without Ihraam. If any Aaafaqii crosses the Meeqat with no intention to enter the Haram, but he has some work within the Hil, then he will be classified as the Able Hil and for him as well, there will be no need to enter the Haram with Ihraam, and no penalty will be Waajib if he does so without Ihraam.

RULE NINE:-
The one in the Hil will adorn his Ihraam within the Hil if he intends to make Umra. He does not have to go out of the Hil to do so. The Able Haram will have to leave the boundary of the Haram in order to adorn their Ihraam.

RULE TEN:-
That Aaafaqii who comes from outside Makkah and wishes to go to Madinah first, does not have to adorn the Ihraam even if he crosses the Meeqat. On coming for Umrah from Madinah, he will adorn his Ihraam at Hir Aal.

RULE ELEVEN:-
Many people come from Aaafaqii with the sole intention of performing Hajj or Umrah and come to Jeddah without Ihraam. For such a person Dam becomes Waajib. Ihraam cannot be adorned at Jeddah. It has to be adorned before this. Even if one stays in Jeddah for one or two days before proceeding to Makkah, then one should do so after having adorned the Ihraam before arriving at Jeddah.

THE EXTENT OF THE HARAM.
The whole of Makkah Mukarramah is the Haram, and so is the outside in all four directions. The boundaries of the Haram have been demarcated. The area other than the Haram is called the Hil. The nearest Hil is Tan'eeem, where Masjid-e-Ayesha (R.A.) is situated and where the people go to adorn the Ihraam.
**DUAAS OF TAWAAF.**

Tawaaf is an Ibaadat in itself, and a great one. To be engaged in Zikr and duaas whilst making Tawaaf, increases the reward of the Tawaaf. To read the third Kalimah in Tawaaf is proven from the Hadith.

سُبْحَانَ الْلَّهِ وَقُلْنَاهُمُ اللَّهُ وَبَشَّّارَتُهُ إِلَّا اللَّهُ وَاللَّهُ أَكْبَرُ وَلَا حَوْلَ وَلَا قُوَّةَ إِلَّا بِاللَّهِ العَلِيمِ الْحَكِيمِ

It's virtues are recorded and to read:-

سَبِيلَانَا فِي الدُّنْيَا حَكِيمَةٌ وَرَفِيقُنا هُدَىٰ لَنَا صُدُّ الْخَطَّأِ صَدِيدُ الْعَرَاءِ يَعْبُدُنَا بَالْغَيْبِ

Between the Rukn-e-Yemaani and the Hajir-e-Aswad is proven.

Besides these, one may read whatever one wishes. The best is to pray with sincerity from the heart. There are famous duaas for every round of the Tawaaf. Amongst these are those which are proven from Rasulullah (Sallallhu Alayhi Wasallam) BUT none of them are proven specifically for Tawaaf or for any particular round of the Tawaaf. Because these duaas are good and easy for the general public, some pious elders have gathered them together. It should be remembered that one should read these duaas with the knowledge that if one does not have a duaa book, or has not read these duaas in particular, then it does NOT affect the validity of one's Tawaaf at all. To read these duaas with the belief that it is masnoon or that one's Tawaaf is not complete without them, is wrong.

Ya Allah, Save us from the ignorance of sitting in the Masjid-e-Haram and not performing Tawaaf.

Ya Rabb, grant me contentment with whatever sustenance You have provided for me, and grant barakat in whatever boons and favours You have granted me."

THE FIFTH ROUND OF TAWAAF.

"Ya Allah, make this Hajj an accepted one and be pleased with the effort and forgive the sins and make the actions good and accepted ones and grant me business without loss. O One who knows the inner recesses of the heart, Ya Allah, Move me from Darkness to Light (proper Imaan). Ya Allah, I seek (those actions) which make Your Mercy Wajib and (those actions) which make Your Forgiveness necessary, and safety from every sin and (the ability to) benefit from every good, and to be rewarded with Jannah and freedom from the fire. Ya Rabb, grant me contentment with whatever sustenance You have provided for me, and grant barakat in whatever boons and favours You have granted me."
"Yaa Allaah, grant me space in the shade on that Day when there will be no Shade except the shade of Your Throne, and when there will be nothing left besides Your Being, and make me drink from the pond of Your Nabi, Sayyidinah Muhammed (Sallallhu Alayhi Wasallam), such a pleasant and tasty mouthful, after which no thirst is felt. Yaa Allaah, I ask of You those good things which Your Nabi, Sayyidinah Muhammed (Sallallhu Alayhi Wasallam) asked for, and I seek refuge from those evil things which Your Nabi, Sayyidinah Muhammed (Sallallhu Alayhi Wasallam) sought refuge from, and I ask of You, Jannah and its bounties, and I ask of You the ability to do such actions which will make Jannah nearer to me and I seek protection from those actions and words which take people near Jahannam."

THE SEVENTH ROUND OF TAWAAF.
Complete this dua on reaching Rukn-e-Yamani, and when proceeding from here, read the following dua:

سَلَّمُ الْهَيْبَةُ فِي الْحَجْرِ فَيْنَاءُ الْحَجْرِ وَفِي الْحُنَّةُ فَيْنَاءُ الْحُنَّةِ وَفِي الْمُسْلِمِينَ فَيْنَاتُ الْمُسْلِمِينَ

Whilst making Tawaf, whenever one comes to the Hajar-e-Aswad, say:

سِحْرُ اللَّهِ اسْرَى بِهِ وَسِحْرُ اللَّهِ أَكْبَرُ

and make Istilaam as done in the starting (i.e. place the two hands on the Hajar-e-Aswad and kiss between the palms. If this cannot be done, then touch it with the right hand and then kiss the hands, and if this cannot be done either then raise the two hands towards the Hajar-e-Aswad in such a way that both palms face it and the back of the palms are in front of you, then kiss the hands.

When Tawaf is completed, then make Istilaam of the Hajar-e-Aswad for the eighth time.

Remember that to give a Muslim difficulty is Haram. Therefore do not push or pull and hurt anyone while making Tawaf, Istilaam of the Hajar-e-Aswad or the Rukn-e-Yamani. Allaah Grant us all Deeni understanding and Save us from the deception/deys of the nafs and shaitan. Completed in goodness.

JOURNEY TO THE LAND OF AL-HARFEER
(Sallallhu Alayhi Wasallam).

After completing the Hajj or Umrah, proceed to Madinah Munawwarah. The newly constructed road which is named "Tarqoq-ul-Hijrath" (Road of Hijrath), takes about four to five hours by bus or by car, from Makkah to Madinah Munawwarah. On arriving at Madinah Munawwarah, keep your luggage at a safe place, go to the Masjid-e-Nabawi, and if it is not the Makrooh time for Salaat, go to the Rawdhatul-Tannah or wherever one gets place, and recite two rakaats Tahiyyaa and Masjid.

Thereafter, proceed to the pure blessed grave of Hadhrat Aqdas (Sallallhu Alayhi Wasallam). With utmost respect and reverence, in a soft and humble tone, present Salaam. If there are no crowds and one may stand with peace and tranquillity, then do so with enthusiasm for as long as one can, and present salaams with peace and solitude. If there is a huge crowd and one cannot do so with peace and tranquillity, then convey a brief Salaam. Later, whenever the opportunity arises, then present Salaams for a lengthier period. It is important to remember that while presenting Salaam, one should not inconvenience other Muslims by pushing or pulling. Also do not put any other Muslim through any difficulty. NO SPECIFIC WORDS OF SALAAM ARE STIPULATED. Various people have written different salaams for this occasion. Some have written lengthy ones and others have written shorter ones. Some have written the following:

Salaam upon you O one who spent all his wealth for the sacrifice of Deen and for the love of Allaah and His Rasool (Sallallhu Alayhi Wasallam), until you were left with only one Jubbah (garment). May Allaah be pleased with you, and in the best way, and may Jannah be your resting place and your final abode. Salaam upon you O Umar ibn Khattaab, Salaam upon you one who spoke words of Justice and Truth. Salaam upon you O one who was martyred in the Mihrabah. Salaam upon you O one who helped make Islaam overpowering and overwhelming. Salaam upon you O one who crushed the idols to pieces. Salaam upon you O guardian of the poor, the weak, the widows and the orphans. لا ترجح الناس بأعمالهم باعتبارهم ضعفاء أو قوة، فأذكروا أن الله لا يتغاظى عما يفعلونه، بل يحاسبون بما يكسبونه.

الله لا يحسن الحسناء ولا يكره الكراء، بل يحسبون بما يعملونه.
Certainty that I know that what reaches me is my Taqdeer, which is written for me and Grant me knowledge which is beneficial, and a fearful heart and a cautious tongue, remembering You, and Grant me pious and obedient children and beautiful patience and a great reward and good actions which are accepted, and business transactions wherein there is no loss, O Light of Lights. O One who Knows the condition of the heart. Take me and all the Muslims away from Darkness towards light, in this world and in the Akhiraat, and Grant me death as a Muslim, and count me amongst the pious/righteous by Your Mercy, O Most Merciful of those who show Mercy. O Rabb of the entire universe, Yaa Allaah, do not leave any sin of ours un-forgiven in this Blessed place and Yaa Allaah, let there be no grief of ours but You can remove it, and no fault Yaa Allaah but You can hide it, and no sickness Yaa Allaah but You can Cure it, and Grant us good health and Grant us no poverty, but that You can Grant wealth. THE REWARD OF SALAAT IN MASJID-E-NABAWI
(Sallallhu Alayhi Wasallam).
There is great reward in performing Salaat with Jamaat in the Masjid-e-Nabawi (Sallallhu Alayhi Wasallam).
It is related in a Hadith that Rasulullaah (Sallallhu Alayhi Wasallam) said that the reward of one Salaat with Jamaat, in my Masjid, is greater than a thousand Salaats anywhere else), with the exception of Masjid-e-Haram. The reward of the Salaat with Jamaat in the Masjid-e-Haram is more superior by hundred thousand - Al-Targheeb Wat Tarmheeb.

FORTY SALAATS IN MASJID-E-NABAWI
(Sallallhu Alayhi Wasallam)

Hadrat Anas (Radhiyallaaahu-anhu) narrates from Rasulullaah (Sallallhu Alayhi Wasallam) that whosoever reads forty Salaats in My Masjid without missing one, it will be written for him that he is free from Hell(Jahannam), and free from punishment and free from Nifaq (Hypocrisy).

SALAAT IN MASJID-E-QUBA

Hadrat Aseed bin Zabeer Ansaari (Radhiyallaaahu-anhu) narrates that Rasulullaah (Sallallhu Alayhi Wasallam) said that one Salaat in Masjid-e-Quba is equal to one Umrah.

(narrated by Tirmidhi and it is said to be good and rare).

Hadrat Sahl bin Haneef (Radhiyallaaahu-anhu) narrates that Rasulullaah (Sallallhu Alayhi Wasallam) said that whosoever made purity (i.e. wudhu) and then came to Masjid-e-Quba and performed any Salaat there, then he has received the reward equal to one Umrah. (narrated by Ahmed, Nisaar, Ibn-e-Maajah, Hakim, and it is said with reliable chain of narrators, as in Targheeb Vol 2 - pg 218.)

Hadrat Umar (RA) narrates that Rasulullaah(SAW) used to go to the Masjid of Quba either walking or riding and perform two Salaats of Salaah therein. (Al-targheeb vol 1, pp 218 also Bukhari and Muslim).

JANNATUL BAQEE.

Near Masjid-e-Nabawi, lies the famous graveyard of Madinah Munawwarah called Jannahul Baqee. Visit this place also and at the time of visiting, present Salaam in this manner:

"Salaam upon those staying here who are Mo'mins and Muslims and Allaah's Mercy be upon those preceding (us)"
and coming after (us) and if Allah wills (Insha-Allah) we also will be definitely meeting you.

Thousands of Sahabah, Taabi-een and the Pious Predecessors are buried in Jannahul Baqe’ee. Amongst them are the son-in-law of Rasulullah (Sallallhu Alayhi Wasallam), Hadhrat Uthman Ghani (Radhiyallahu-anhu), Rasulullah (Sallallhu Alayhi Wasallam)’s uncle Hadhrat Abbaas (Radhiyallahu-anhu), his (Sallallhu Alayhi Wasallam)’s grandson, Hadhrat Hasan bin Ali (Radhiyallahu-anhu) and Rasulullah (Sallallhu Alayhi Wasallam)’s son Hadhrat Ibraheem, and his daughters, Ruqayyaah, Zainab, Ummu Kultum and his aunties and pure wives and his special attendant, Abdullah bin Masood and Abdur-Rahmaan bin Auf (Radhiyallahu-anhu) and Hadhrat Sa’d bin Abi Waqqas (Radhiyallahu-anhu) are buried there and according to one narration Hadhrat Sayyidah Faatimah’s grave is also there.

VISITING THE MARTYRS OF UHUD.

During your stay in Madinah Munawwarah, it is good to go to Uhud, which is the name of a mountain. Rasulullah (Sallallhu Alayhi Wasallam) said, “Uhud loves us and we love it.” (AT-Targheeb Vol 2 pg 230.)

In the third Hijri, there was a battle near Uhud. The polytheists of Makkah Mukarramah, attacked the Muslims.

Rasulullah (Sallallhu Alayhi Wasallam) and the Sahaba (Radhiyallahu-anhu) fought back and seventy Sahaba (Radhiyallahu-anhu) were martyred at that time.

Rasulullah (Sallallhu Alayhi Wasallam) was also injured. The enemies wounded him and his uncle Hadhrat Hamzaah bin Abdul Mutallib (Radhiyallahu-anhu), was martyred. The graves of those who were martyred are in one section of the graveyard. Walls have been constructed on all sides. The door is netted so that one can see through, but always locked.

The graves of Hadhrat Hamzaah and Hadhrat Must’ah bin Umair (Radhiyallahu-anhu), can be seen from the outside and are away from the door. The graves of the other great personalities are near the walls. When present here, make Salaam with the same words which are used for Jannahul Baqe’ee.

“And Allah is the One who gives ability and help. Completed in goodness and All Praise is due to Allah, the Raah of the entire universe.”
